How to order and determine screen size:

- | | | |
|--|----------------------------------|-------------------|
| A = Full width of screen fabric | 1:1 format: F same as E | E or F x 1.43 = H |
| B = Size of black side borders | 4:3 format: F x 0.75 = E | F x 1.25 = H |
| C = Size of black bottom border | 16:9 format: F x 0.56 = E | F x 1.146 = H |
| D = Top section black out (masking) | | |
| E = Viewing drop | | |
| F = Viewing width | | |
| G = Full screen drop | | |
| H = Diagonal | | |

NOTE: All masking sizes can be customize to clients requirements.
